

Dear Fellow OAI Flight Attendants:

As we all know, the upcoming election to vote in the AFA- The Association of Flight Attendants is right around the corner. This is a pivotal and historic time for all of us. It is a time to come together as a work group and assert our collective wish for a more balanced and equitable work environment. We admire our company and love what we do but we are Professional International Flight Attendants and just ask to be respected as such and treated fairly. Too many times we have been dismissed as insignificant and our quality of life deemed second to operational necessity. We now have the opportunity to change that. We now have the chance to have a Professional Flight Attendant Union represent our goals and watch our backs.

Finally... We Are On Our Way!

Your "YES" vote for the AFA means:

- *We can finally create a legal binding contract with the company to improve our quality of life. This includes our wages, our work rules & duty regulations, our hotel and travel expectations as well as OAI Flight Attendant policy and procedures. No AFA Union dues will be paid until a contract is agreed upon and ratified by a flight attendant vote.*
- *We will finally have a formal grievance procedure where the company will be legally held to the rules of the contract. No longer will they be able to bend the rules when needed. When they do, the AFA will represent us in our quest for fairness and due process.*

Most Importantly...

- *We will be represented by the World's largest Flight Attendant Union. The AFA represents nearly 60,000 Flight Attendants at 23 airlines. We will have a professional Flight Attendant organization with 65 years' experience watching our backs, protecting our rights and making sure that we are not taken advantage of or treated unfairly.*

Please vote "YES" for the AFA and create a fairer and more equitable future for all of us!
